I forwarded the voicemail from Andre Patterson to both David Yogi and Brent. Here is Brent's response. Haven't heard back from David yet. I will give some thought to appropriate talking points for a follow up call with Mr. Patterson. David, you and I can work on that together. We'll plan to call him next week and I'll close the loop with Enrique.

Loren –

I spoke with David Yogi about the person calling David Stensby. I told him that I have not yet heard from any Congressional offices, but if/when I do, I can let folks know. My sense is they are not likely to reach out as they probably don't take the accusations he is making that seriously. I'll let folks know however, if I do hear from anyone.
